Escape the ordinary.

Row, row, row your love boat and throw out the lifelines. Forgive someone you want to hold a grudge against; *It's Water Under the Bridge.* Thank someone for being your safe harbor. Be a rock for someone who's on shaky ground. We're all first-graders at heart so make valentines for your friends. But be an angel, and don't forward that Guardian Angel chain letter. Visit the lovelorn at an animal shelter. *Tip Generously at the Car Wash.* Don't pick all the cashews out of the mixed nuts. Try to bite your tongue before you back-bite. Don't interrupt when your friend is talking unless her hair is on fire. For the love of god, respect the 12-item-or-less Express Lane! It's a shopping act of mercy. Your hugs can lower someone's blood pressure; repeat as needed. It's February, after all...Love Ahoy!
